*Proof of rabies vaccination strongly recommended - must be current, given more than 14 days prior to arrival at fairgrounds, and remain current for duration of the Fair. Consult your veterinarian and county representative for current requirements.

NEW YORK YOUTH LIVESTOCK NON-OWNERSHIP POLICY

The exhibitor, upon request to the event sponsor, shall provide proof of ownership of any exhibit.

This **non-owner certificate** verifies that a 4-H member in New York and the owner of the animal have entered an agreement. A lease agreement allows a 4-H member to use the specified animal as a 4-H project.

Cornell Cooperative Extension (CCE) encourages the use of written lease agreements, however, it is the responsibility of the owner and exhibitor to agree upon the lease terms. Neither CCE nor Cornell University is legally involved in writing, implementing or terminating any lease agreements.

The following policy was revised in 2014 by the NYS Youth Goat Advisory Committee.

Non-owner/lease opportunities are intended for youth who do not already own an animal of this species type. Youth who own no goats may lease two non-owned goats as 4-H projects but may be restricted to showing only one of these animals per youth fair, youth exhibition, or 4-H show/exhibition at their county's discretion. Youth owning dairy goats may lease one meat goat. Youth owning meat goats may lease one dairy goat.

The following bill was legally adopted by the NYS Department of Agriculture & Markets July 1987.

Exhibits shall have been owned by the exhibitor for a period of at least (30) days prior to the entry of the exhibit provided, however, that any animal exhibit entered in a youth fair, youth exhibition or 4-H show or exhibition shall have been in the care of the exhibitor for a period of at least (60) days prior to entry of the exhibit.
